From The Shepherd's Heart

Greetings in the Matchless Name of Jesus Christ Almighty My Brothers, Sisters, and Friends of Our Jacob's Ladder Family!

I sincerely pray and trust that you all are experiencing some of the New Wine, New Wineskins and New Dimensions of Grace and Favor from the Lord in your Worship and Stewardship participation as we phase into our Spring season. We also are recognizing the month of March as our Family month, and we are designated to honor our Lord by reaching out to our entire family in the Spirit of Agape Fellowship and Hospitality.

I need for each of you to the contact your family members and invite them to Worship, Fellowship, Pray and Socialize with us as we put forth our best efforts to manifest Christlikeness in our interactions with our loved ones of whom we are biologically connected to. This increases the manifestation of the Love of God that shed in our hearts by the Holy Ghost being conscious of the fact that the Word of God declares that "charity begins at home and is then shed abroad!"

Let me conclude by complimenting each of you who are striving, struggling, or maybe you are just juggling between one project to another in regards to serving in the Masters Kingdom to please him as best you can. Don't give up, don't give in and don't abandon your God-given, Christ-ordained obligations because payday is coming after awhile!

In Pursuit of His Divine Grace and Favor!

Bishop Robert T. Douglas, Sr., PhD

Mother and Daughter Relationship

(Submitted by: Sister Barbara Kennedy, JLCF Publication Department)

Being a mother is the most noblest of jobs in this world. Our relationship with our daughters is one that has far reaching effects on the development and socialization of our daughters from birth to adulthood.

Tips for Mothers and Daughters to build everlasting close relationships

- Don't stop loving her. Appreciate each other, even in the little things you do.
- Use humor.
- See it from their point of view. Use praise. Express confidence if your daughter and in her future.
- Teach her to believe in herself no matter what.
- Start mother-daughter traditions. These are the times that build your relationship. Make a promise to keep the traditions alive every year.
- Mothers and daughters should focus on the positive aspects of their relationship and invest time and energy in it.

Tips for Mothers

- Be sure your behavior provides a good example for her to follow. Be genuine.
- Demonstrate and model your own family's values, from which she will build her own personal values.
- Allow her to grow up. Let her earn privileges and responsibility by demonstrating her trustworthiness and abilities.
- Give her plenty of practice at making decisions -- start early in life with easy choices.
- Teach your daughter patience.
- Model how to remain calm under stress.
- Let her disagree with you or others, but not in a disrespectful manner.
- Give her the choice and ability to "question".
- Make her apologize when she is wrong.
- Make rules clear. Know where she is 24 hours a day.
- Respect her as a human being.
- Love her with all your heart.
- Show you love her several times a day. Tell her.
- And remember to persevere.

JLCF Church Mission Statement

Sacrifice Obedience Commitment

I would like everyone at Jacob's Ladder to know that we are here in the State of California to promote the Kingdom of God and to recruit souls of men and women of all walks of life into this glorious Kingdom. With this truth established, our primary objective is saving the lost souls, the preservation of the saved soul, and the consecration of the new man in Christ. Our tools to reach our objectives are basically as follows:

- ✦ Repentance from a sinful Life;
- ✦ Water baptism in the name of Jesus;
- ✦ The baptism of the Holy Ghost;
- ✦ Educating the lost with the Word; and
- ✦ Referral resources for those that have special needs.

With this in mind, I would like for you all to know that I have sought the Lord for approval to expand the operation here at Jacob's Ladder. As your Pastor, it is my desire to acquire a church edifice with a seating capacity suitable for our membership.

This will require for us to take this present vision and organize it into a three million dollar project. In closing, I invite any ideas or suggestions to make the vision a reality.

Bishop Robert T. Douglas, Sr.
